

Sub B10
A

13. (amended) The haemocompatible material according to [any of] claim[s] 9[, 11 and 12], further comprising at least one natural, synthetic or semisynthetic polymer.

Sub B12
A

17. (amended) The haemocompatible material according to [any of] claim[s] 9[-16], in the form of sponges, films, membranes, threads, tampons, non-woven fabrics, microspheres, nanospheres, gauzes, gels and guide channels.

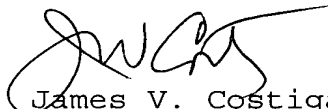

18. (amended) Industrial or medical articles or devices made with or coated with the haemocompatible material according to [any of] claim[s] 9[-16].

REMARKS

This Amendment is being to delete the multiple dependency claims.

An early and favorable action is earnestly solicited.

Respectfully submitted,

James V. Costigan
